

# Banda Regina Pacis - Tempo Novo

Tom: E

m [Intro] Em7 C A

Em7 D C  
Sei vou despertar, feliz, do sono  
Que me separou do amor

Em7 D C  
Eu verei, além de escuras nuvens  
Luzes de esperança, enfim

Am7 Bm7  
Chego a tocar o invisível

Em7  
desvelar teus planos

Am7 Bm7  
Posso antecipar o céu na terra

C D  
Pois eu comecei

C Am  
Um tempo novo em deus

Em7 D  
Rumo novo, nova vida viver

C  
Simplesmente crer

Am  
Não olhar pra trás

Em7  
Um tempo novo!

Nova vida viver!

Em7 D C  
Sei vou mergulhar num mar de graças  
Que ele preparou pra mim

Em7 D C  
Eu terei a força que preciso  
E, então, ficar de pé

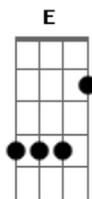

Am7 Bm7  
Chego a alcançar o impossível

Em7  
Reder todo medo

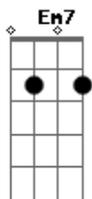

Am7 Bm7  
Posso antecipar o céu na terra

C D  
Pois eu comecei
