

Banda Universos - I Should Have Known Better

tom:

C

And I should have known better
To lie with one as beautiful as you

Yeah, I should have known better
To take a chance on ever losing you
But I thought you'd understand, can you forgive me?

I saw you walking by the other day
I know that you saw me, you turned away and I was lost
You see: I've never loved no one as much as you
I've fooled around but tell me now just who
Is hurting who?

And I should have known better
To lie with one as beautiful as you

Yeah, I should have known better
To take a chance on ever losing you
But I thought you'd understand, can you forgive me?

I, I, I, I, I, I, I, I, I, I
Should have known better
I, I, I, I, I, I, I, I, I, I
Should have known better

It's true, I took our love for granted all along

And trying to explain where I went wrong, I just don't know

I cry but tears don't seem to help me carry on
Now there is no chance you'll come back home
Got too much pride

And I should have known better
To lie with one as beautiful as you

Yeah, I should have known better
To take a chance on ever losing you
But I thought you'd understand, can you forgive me?

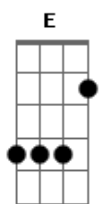

I, I, I, I, I, I, I, I, I, I love you
I, I, I, I, I, I, I, I, I, I love you

(C C F G)
(C C F G)

No, no, no, no, no, I love you!
No, no, no, no, no, yeah!

And I should have known better
To lie with one as beautiful as you
