

Banda Universos - I Will Love Again

```
I will love again
                        tom:
Intro: Fm Db Ab Eb7
                                                        Db
                                                       And stronger than before
Fm Db Ab Eb7
                                                           Fm Db
                                                       I will love again
           Db
                Ab
                                                       Ab
                                                                           Eb
Did I ever tell you how you live in me?
                                                       Even if it takes a lifetime to get over you
Fm Db Ab Eb7
                                                       Db Ab Eb
                                                       Heaven only knows
Every waking moment, even in my dreams
 Bbm Db
                                                        Bbm
And if all this talk is crazy

Eb
                                                       If I'm true to myself
                                                       Cm Db
And you don't know what I mean

Bbm Db
                                                       Nobody else can take the place of you
                                                       Bbm
But I've got to move on
Does it really matter?

Fm Eb

Just as long as I believe

Fm Db
                                                       Tell me, what else can I do?
                                                        Fm Db
I will love again
                                                       I will love again
                                                       Ab
                                                       Though my heart is breaking
Though my heart is breaking
 Fm
                                                        Fm
I will love again
                                                       I will love again
And stronger than before Fm Db
                                                       And stronger than before Fm Db
I will love again
                                                       I will love again
                   Eb
                                                                           Eb
Even if it takes a lifetime to get over you
                                                       Even if it takes a lifetime to get over you
Db Ab Eb Fm
Heaven only knows, I will love again
                                                       Db Ab Eb
                                                       Heaven only knows
                                                        Fm Db
                                                       I will love again
( Fm )
                                                        Ab Eb
                                                       I will love again
People never tell you
                                                        Fm
                                                       I will love again
Ab Eb
The way they truly feel
                                                        Ab Eb
                                                       I will love again
I would die for you gladly
                                                       Fm Db
Ab Eb
                                                       One day I know, I will love again
                                                       You can't stop me from loving again
So if all this talk sounds crazy
 Fm
                                                       Breathing again
And the words don't come out right
                                                       Fh
                                                       Feeling again
                                                                            Fm Db Ab
                                                                                                   Eb
Does it really matter? Oh
                                                       I know, one day, I'll love again
                                                        Fm Db
 Fm
If it gets me through this night
                                                       I will love again
   Fm Db
                                                        Eb Eb
I will love again
                                                       I will love again
Though my heart is breaking
