

# Banda Universos - In The Silence

tom: **Bb**

Intro: **Gm**

**Bb**  
I've been seeking silver linings  
**Eb**  
Feeling incomplete  
**Gm** **F** **Eb**  
Singing oh oh I wish you didn't taste so bittersweet  
**Bb** **Eb**  
So enamored, stutter, stammered, oh my voice was broke  
**F7** **Gm**  
Like a poor man stood before the queen  
**F** **Eb**  
I tripped over my tongue before I spoke

**Eb** **F**  
And though I never said it with words  
**Bb** **Gm**  
It was love in the silence  
**Eb** **F**  
Even now after all of these years  
**Bb** **Gm**  
You're the light in my darkness

**Bb**  
Used to share that feeling, dreaming  
**Eb**  
Gazing at the bedroom ceiling  
**Gm** **F** **Eb**  
Oh oh now I lay here wishing you'd come home

**Eb** **F**  
And though I never said it with words  
**Bb** **Gm**  
There was love in the silence  
**Eb** **F**  
Even now after all of these years  
**Bb** **Gm**

You're the light in my darkness  
**Eb**  
Darling please  
**F**  
Listen close and you'll hear  
**Bb** **Gm**  
There's still love in the silence  
**Eb** **F**  
Even now after all of these years  
**Bb** **Gm**  
You're the light in my darkness

**Eb** **F** **Gm**  
Oh ooh  
**Eb** **F** **Gm**  
Oh ooh

**Eb** **F**  
And though I never said it with words  
**Bb** **Gm**  
There was love in the silence  
**Eb** **F**  
Even now after all of these years  
**Bb** **Gm**  
You're the light in my darkness  
**Eb**  
Darling please

**F**  
Listen close and you'll hear  
**Bb** **Gm**  
There's still love in the silence  
**Eb** **F**  
Even now after all these long years  
**Bb** **Gm**  
You're the light in my darkness  
**Eb**  
And there's still love  
**F** **Gm**  
Still love in the quiet

## Acordes
