

Banda Universos - Soneto Para Asenate

tom:

Intro: A Dm G7 C F B7 E

Desejei parar o tempo

Para te-la em meus braços

Minha menina

Ver teus pequeninos passos

Ouvir teu riso e melodia de amor

Mas o tempo não parou

E você cresceu

Ficaram as lembranças

De você criança

Agora já crescida te trago em meu coração

O amor te alcançará e desejará

Fazer o tempo parar

Para ao teu lado ficar

E então lembrará

Do amor que te acalentou

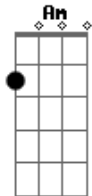

Minha menina flor

Que desabrochou

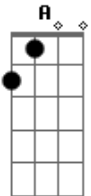

Tão bela e tão formosa no jardim do amor

Tão bela e tão formosa no jardim do amor
