BangTan Boys (BTS) - IONIQ

```
Ioniq, Ioniq
                            tom:
                                                                          Ab
                                                                 Ioniq, Ioniq
                G
Intro: A Ab
                G
                                                                 G
                                                                 Ioniq, Ioniq
Ioniq, Ioniq
                                                                 G
                                                                 (Yeah) I see a sign saying "slow it down"
         Ab
Ioniq, Ioniq
                                                                 D
                                                                 I've pushed myself too hard
Ioniq, Ioniq
                                                                 Gbm
                                                                 Mola seugibodan
G
                                                                 Bm
When I look into your eyes
                                                                 Naagal himeul jullae (Cheer up)
                          Gbm
All I see is you filling?my?mind
                                                                 When we're together
                                                                 D
                       Bm
Saeloun mannamdeul-eun naleul?chungjeonhae
                                                                 I get my energy
                        D
                                                                 Gbm
                                                                               Bm
Thought I bump into something
                                                                 The memory, it makes me go again
           Gbm
New possibility
                                                                 Silbalam soliga deullyeowa
            Bm
                                                                 D
