

Banks - Brain

Tom: **D**

But it's all the same **Cm**
 I could have foreseen **D**
 That you would act like you are **Em**
 Oh so cool you seem **Cm**
 Blending with that scene **D**
 Wearing what you think is hard **Em**
 Ooh, ah, ah, ah ay ya **Cm**
 Ooh, ah, ah, ah ay ya **Bm**
 Ooh, ah, ah, ah ay ya **Em**
 Ooh, ah, ah, ah ay ya **Em**

I can see you struggling **Cm**
 Boy, don't hurt your brain **Bm**
 Thinking what you're gonna say **Em**
 Cause everything's a game **Cm**
 Always trying to calculate **Bm**
 Trying to look smart but not too smart **Em**
 To threaten anything they say

Ooh, ah, ah, ah ay ya **Cm**
 Ooh, ah, ah, ah ay ya **Bm**
 Ooh, ah, ah, ah ay ya **Em**
 Ooh, ah, ah, ah ay ya **Em**

Ooh, ah, ah, ah ay ya

But it's all the same **Cm**
 I could have foreseen **D**
 That you would act like you are **Em**
 Oh so cool you seem **Cm**
 Blending with that scene **D**
 Wearing what you think is hard **Em**
 Ooh, ah, ah, ah ay ya **Cm**
 Ooh, ah, ah, ah ay ya **Bm**
 Ooh, ah, ah, ah ay ya **Em**
 Ooh, ah, ah, ah ay ya **Em**

I can see you struggling **Cm**
 Boy, don't hurt your brain **Bm**
 Thinking what you're gonna say **Em**
 Cause everything's a game **Cm**
 Always trying to calculate **Bm**
 Trying to look smart but not too smart **Em**
 To threaten anything they say

Ooh, ah, ah, ah ay ya **Cm**
 Ooh, ah, ah, ah ay ya **Bm**
 Ooh, ah, ah, ah ay ya **Em**
 Ooh, ah, ah, ah ay ya **Em**
