

# Banks - Crowded Places

Tom: C  
Intro: C  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
I wanna get you in my spaces  
I wanna take you different places  
I know the touring is romantic  
I know you see me as a frantic girl  
But I can give you what you want  
I know you like the way I held my temper  
When I gave you to the world, gave you to the world  
I can be your heart to let go  
'Cause I've been scared of crowded places  
Come with me, I'll take you home  
'Cause I've been scared of crowded places  
Come with me, I'll take you home  
I know I messed with your head  
It was just when I left you  
When I was just blowing up and when I said  
Remember when I loved you right before that tour?  
You said you didn't want to see me anymore and  
Then when I got home when I played that show in LA  
All your shit was gone, It was the only time I thought I'd made a mistake  
And when I only want to hold you  
I thought I wanted you to hold me  
'Cause I've been scared of crowded places

Come with me, I'll take you home  
'Cause I've been scared of crowded places  
Come with me, I'll take you home  
It falls to death so talk with me  
This life, what if it's you and me?  
Don't know, oh no  
Maybe that means we'll fall from grace  
It'd be ok, I'd have your face with me  
You'll see (you'll see, you'll see, you'll see)  
'Cause I've been scared of crowded places  
I've been scared of crowded places  
'Cause I've been scared of crowded places  
'Cause I've been scared of crowded places  
'Cause I've been scared of crowded places  
'Cause I've been scared of crowded places  
'Cause I've been scared of crowded places  
'Cause I've been scared of crowded places  
'Cause I've been scared of crowded places  
'Cause I've been scared of crowded places  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, yeah  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey  
Hey, hey, hey, hey
