

# Banners - Gold Dust

tom:

**B**

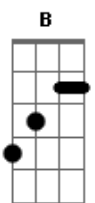

E2  
Winter's calling  
**Badd9**  
Night has fallen  
**Gb** **Abm** **Gb**  
Could you always come around?  
E2  
Falling backwards  
**Badd9**  
Sinking faster  
**Gb** **Abm** **Gb**  
Lost disaster on the ground

**Badd9** **Dbadd9**  
Turn this darkness into sparks  
**Ebm**  
Like blazing hearts  
**E**  
I tell you darling

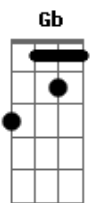

**Badd9** **Gb**  
All I know  
**Abm**  
When the nights grow cold  
**Ebm**  
And it's all gone to rust  
**Badd9**  
We can turn it into gold dust  
**Gb**  
Far from home  
**Abm**  
With these aching bones  
**Ebm**  
Are you just out of love?  
We can turn it into gold dust

E2  
Tired like a broken arrow  
**Badd9** **Gb**  
Straight and out of aiming careful  
**Abm** **Gb**  
And miss the mark  
E2  
All I carry  
**Badd9**  
Silver lining  
**Gb** **Abm** **Gb**  
Crashed like lightning flash in the dark
