Intro: Em D G C Em D G

Em
Holding back the flood
    D   G
In this skyscraper town
C   Em
You give all that sweat and blood
     D   G
Now you think you're gonna drown

              Em
You can?t tell that you're bigger
                  D   G
Than the sea that you're sinking in

   C   Em
And you don?t know what you got
                  D   G
But you got it at your fingertips

Em   D G C
Ooooh, You got it in you
Em   D G
Ooooh, You got it in you

         C   Em
When the lights go out and leave you standing in the dark
C   Em
No-one ever told you this would be so hard
C   G
I know you think your fire is burning out but I still see you
         D
shining through
             Em D G
You got it in you

     Em   D   G
Not everything you hear should sound like the truth
   Em   D G C

'Cause nobody else's words can define you

        Em
Maybe you don't see it but
                          D   G
You're quicker than the world can spin
                 Em
You should know what you got
                       D   G
'Cause you got it at your fingertips

Em   D G C
Ooooh, You got it in you
Em   D G
Ooooh, You got it in you

          C   Em
When the lights go out and leave you standing in the dark
C   Em
No-one ever told you this would be so hard
C   G
I know you think your fire is burning out but I still see you
             D
shining through
             Em G
You got it in you

          C   Em
When the lights go out and leave you standing in the dark
C   Em
No-one ever told you this would be so hard
C   G
I know you think your fire is burning out but I still see you
             D
shining through

                     C Em D Em
You got it in you
                     C Em D
You got it in you
                          Em
You got it in you
