

Banners - In Your Universe

tom: B

B Gbm
From the second I saw you I've been falling

E B
In that space between that moment and the ground

B Gbm
My on fire imagination

E B
Your constellation is the only thing I think of now

E
I felt your light run through me

B
Now I'm dying to be

B Gbm
Somewhere, somewhere, somewhere

E B
In your universe, in your universe

B Gbm
Just wanna be somewhere, somewhere, somewhere

E B
In your universe, in your universe

B Gbm
Well, I don't need to be you, your star in the center

E B
I just wanna circle 'round your world from time to time

B
Oh darling, if I could just hold you

Gbm
I'd give it all to just know you

E
Leave it behind in a second

B
As long as you're there, I don't care

B Gbm
Just wanna be Somewhere, somewhere, somewhere

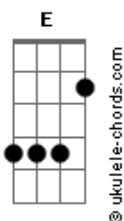

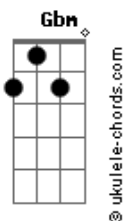

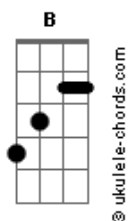

E B
In your universe, in your universe

B Gbm
Just wanna be somewhere, somewhere, somewhere

E B
In your universe, in your universe

B
I crashed back down and breathing hurts

Acordes

Gbm E
My heart's a million miles away from earth

B Gbm E
In your universe, ooh la la la la la

B
In your universe

B
I just want you, just wanna be there

Gbm
Just want you, just wanna be there

E B
Just wanna be somewhere in your universe

E
I felt your light run through me

B
Now I'm dying to be

B Gbm
Somewhere, somewhere, somewhere

E B
In your universe, in your universe

B Gbm
Just wanna be somewhere, somewhere, somewhere

E B
In your universe, in your universe

B Gbm E B
Oh, I love you and all that you are

E B
There's a whole universe in your eyes

B Gbm
Oh, I love you and all that you are

E B
There's a whole universe in your eyes

B Gbm
Oh, I love you and all that you are

E B
There's a whole universe in your eyes

B
Just want, just wanna be there

Gbm
Just want, just wanna be there

E B
Just wanna be somewhere in your universe
