I read the news today oh boy
                                           C C7M
        Em
                       Am
About a lucky man who made the grade
                Bm
And though the news was rather sad
                                                       Em C7M
                         Em
Well I just had to laugh, I saw the photograph
He blew his mind out in a car
He didn't notice that the lights had changed
                 Bm
A crowd of people stood and stared
They'd seen his face before
Nobody was really sure if he was from the House of Lords
                            Em Em
                  today oh boy
The English Army had just won the war
           Bm
A crowd of people turned away
             G
                                Em
But I just had to look having read the book
                 Em F Gb
I'd love to turn you on "Stays on E-minor for a while then goes to E-major"

Woke up, fell out of bed, dragged a comb across my head
Found my way downstairs and drank a cup
And looking up, I noticed I was late
Found my coat and grabbed my hat,
Made the bus in seconds flat
         Ε
                                     В7
Found my way upstairs and had a smoke
And somebody spoke and I went into a dream
CGDAE CGDAE DCDGCGDAE CGDAE DCDGE
ah, ah, ah,
              Bm
I heard the news today oh boy
Four thousand holes in Blackburn, Lancashire
And though the holes
                    were rather small
They had to count them all
Now they know how many holes it takes to fill the Albert Hall
             Em F
                   Gb
I'd love to turn you on
