

Barbara Dickson - If You Go Away

Tom: C

Intro: Dm E7 Am C Dm Dm E7 D E7

If you go away on this summer day
Then you might as well take the sun away
All the birds that flew in the summer sky
When our love was new and our hearts were high
When the day was young and the night was long
And the moon stood still for the nightbird's song
If you go away, if you go away, if you go away
But if you stay, I'll make you a day
Like no day has been or will be again
We'll sail on the sun, we'll ride on the rain
We'll talk to the trees and worship the wind.
Then if you go, I'll understand,
Leave me just enough love to fill up my hand
If you go away, if you go away, if you go away
If you go away, as I know you will
You must tell the world to stop turning til
You return again, if you ever do,

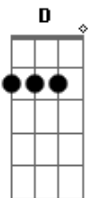

For what good is love without loving you
Can I tell you now, as you turn to go
I'll be dying slow til your next hello
If you go away, if you go away, if you go away
But if you stay, I'll make you a night
Like no night has been, or will be again

I'll sail on your smile, I'll ride on your touch
I'll talk to your eyes that I love so much
But if you go, no, I won't cry
Though the good is gone from the word goodbye
If you go away, if you go away, if you go away
If you go away, as I know you must,
There'll be nothing left in the world to trust
Just an empty room, full of empty space
Like the empty look I see on your face
I'd have been your shadow if I thought it might
Have kept me here, by your side
If you go away, if you go away please don't go away
