

# Bárbara Rocha - The Letter

Tom: **B**

I think I don't know how to write love songs **B**

I swear I don't know what I did wrong **Ab**

Do I have sorrow left inside? **E**

Let me cry a song for you tonight? **B**

I promise you I'll try a little bit **B**

To prove yourself I'm more than this **Ab**

I could draw a letter and add some melody on **E**

And spread the lyrics to everyone **B**

Remembering **Ab**

Our happiness **E**

All those years **B**

So let me fix it up before a new day comes **Ab**

?Pen and paper? is all I need for once **E**

And let me walk with you **B**

Where are those sparkles in the eyes? **Ab**

Everybody sees yours not mine **E**

Did I lose faith? **B**

I'm terrified.

So let me close my eyes and feel it **Ab**

To write the words you still believe in **E**

And tomorrow I won't bleed to death **B**

Then you'll be lay down in my bed **Ab**

Caressing my hair **E** **B**

Let me learn (2x) **Ab** **E**

How to love **B** **B**

Let me learn **Ab**

Please let me learn to LOVE **E** **B** **B**

I need to learn (2x) **Ab** **E**

I need to learn now **B** **B**

Tomorrow cannot exist **Ab**

I'll be better be freeze **E**

Than not deliver you this **B** **B**

I guess I finish our love song **B**

I swear I don't know what I did wrong **Ab**

Do I have to step aside? **E** **E**

Please **B**

Let me sing a song for you tonight?

## Acordes
