

Bárbara Rocha - Untameable

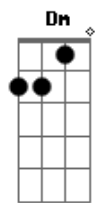

tom:

Intro: Am G Dm
Am G Dm

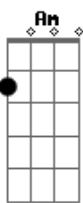

Am G
I'm not afraid of what will come
Not afraid of what you do
When you close the doors, I'm supposed to step into Am
My clock ?ticks? back to front G
I see instinctively beyond Dm
Am G
You can sit and watch me Dm
Breaking the lock and golden key Am
From that cage you saved to put me in G
I live risking everything Dm
Still, I'm a human being
Am G Dm
I can sense you calling without whispering a single word
Not a single word
Am G
Attacking isn?t the best defense
But you better know I'm always prepared to fight Dm
[Refrão]
Am
And I will fall
But I will fly G
It?s not about being wrong or right Dm
It?s do or die
They won?t Am
Win the war G
It?s not about being wrong or right Dm
The untameable survive
(Am G Dm)
(Am G Dm)
Am G
I'm not afraid of what will come
Let the guard down is not allowed Dm
When I give my back
Cowards show up in the crowd Am
Do you want to face me? G
Call out loud Dm
Am G Dm
I can sense you calling without whispering a single word
Not a single word
Am G
Attacking isn?t the best defense Dm

But you better know I'm always prepared to fight
[Refrão]
Am
And I will fall
But I will fly G
It?s not about being wrong or right Dm
It?s do or die
They won?t Am
Win the war G
It?s not about being wrong or right Dm
The untameable survive
F G
Haven?t you tried
To flap your wings? Am
Flap your wings G
F G
Haven?t you tried
To grab a sword and shield Am
And fight for your dreams? G
Am G
I'm not afraid of what will come
Not afraid of what you do Dm
What you do
What you do
What you do
Yeah
Am G
I'm not afraid of what will come
Not afraid of what you do Dm
What you do
What you do
What you do
[Refrão]
Am
And I will fall
But I will fly G
It?s not about being wrong or right Dm
It?s do or die
They won?t Am
Win the war G
It?s not about being wrong or right Dm
The untameable survive
[Final Am G Dm
