

Barbie - Light Up The World

tom:

C

When I was younger, yesterday
 Things were simple, things were safe
 I never dreamed that I could see a better life for you and me
 Everyone told me to stay

G D

I held my breath, I made the leap
 Opened a door I'd never seen
 I took a chance, I made it through
 Now everything is coming true
 And this is what it's like to be

G D Am

Out of my shell
 Just like a pearl Luminous, rare
 Light up the world
 Right in the swell
 Still the same girl
 Making things better, better, better
 Light up the world

G D Am C

Changing colors, making waves
 Something new in every day
 Wide awake, I live the dream

C

Beneath the stars, under the sea
 And now the current carries me

G D Am

Out of my shell
 Just like a pearl Luminous, rare
 Light up the world
 Right in the swell
 Still the same girl
 Making things better, better, better
 Light up the world

C

You know make it your own
 Come home

Em C

Light up the world
 Into the glow
 When I was younger, yesterday
 Out of my shell (out of my shell)
 Just like a pearl (just like a pearl)
 Luminous, rare (luminous, rare)
 Light up the world (light up the world)
 Right in the swell (right in the swell)
 Still the same girl (still the same girl)
 Making things better, better, better
 Light up the world
