

Barbie - Look How High We Can Fly

```
No coming down
                                                                  Em Gbm
                tom:
                                                                So hang on for the ride
               Eb (forma dos acordes no tom de D )
Capostraste na 1ª casa
Intro: Dadd9 Aadd9 Bm7 G
                                                                [Refrão]
       Dadd9 Bm7 Dadd9 Bm7
                                                                                     Dadd9
[Primeira Parte]
                                                               Look how high we can fly
                                                                                     Aadd9
Dadd9
                                                                Look how high we can fly
I lost myself today
Dadd9
               Bm7
                                                               We can see everything
All work, no time to play
                           Dadd9
                                                                From up here in the sky
Dadd9
             Bm7
                                    R<sub>m</sub>7
I'm holding on to what I know
                                                               We've got the perfect view
Dadd9
                                                               Dadd9
Then this discovery
                                                               Together me and you
                                                                                        Dadd9
Dadd9
                                                                Aadd9
Blindfolded, I could see
                                                                Look how high we can fly
              Bm7
I'm catching on by letting go
                                                               Oh yeah
[Pré-Refrão]
                                                                [Ponte]
           G
                                                                                            Bm7 G
And now I'm rising up
                                                                I don't need to live in a fancy castle (oh no)
  Gbm G
                                                                                          Aadd9
No coming down
                                                                That isn't where I should be
   Em
          Gbm
                                                                                              Bm7
                                                                Open up my heart and where it leads I'll follow
So hang on for the ride
                                                               Up high where I can be free
[Refrão]
                                                                (Refrão, até o final)
Look how high we can fly
                                                                                     Dadd9
                                                               Look how high we can fly
Look how high we can fly
               Bm7
We can see everything
                                                                Look how high we can fly
                                                                               Bm7
From up here in the sky
                                                               We can see everything
We've got the perfect view
                                                                From up here in the sky
Together me and you
                          Dadd9
                                                               Look how high we can fly
Aadd9
Look how high we can fly
                                                                                     Aadd9
                                                                Look how high we can fly
[Segunda Parte]
                                                               We can surf on the wind
Dadd9
                                                               So completely alive
Words come so easily
Dadd9
             Bm7
Hard to believe it's me
                                                                There's nothing we can't do
                                 Dadd9
Dadd9
            Bm7
                                          Bm7
                                                               Dadd9
With every breath the feeling grows
                                                                Together me and you
Dadd9
               Bm7
                                                                        Aadd9
                                                                                        Dadd9
Take time to make time stop
                                                                Look how high we can fly
Dadd9
              Bm7
Unplug, turn off the clock
                                Dadd9
                                                               Look how high we can fly
Dadd9
               Bm7
The less you try the more it flows
                                                                        Aadd9
                                                                                       Dadd9
                                                                Look how high we can fly
[Pré-Refrão]
                                                                                     Aadd9
                                                                Look how high we can fly
                                                                                     Dadd9
                 Aadd9
I keep on rising up
                                                               Look how high we can fly
  Gbm G
