

Barbie - This Is Me

```
'Cause I wanna be sweet
                          tom:
                                                          But I wanna be wild
                                                              G
Intro: G Cadd9 D
  G Cadd9 D
                                                          And I wanna find my own style
                                                          Cadd9
So I make a mistake, then I do it again
                                                               Cadd9 D
                                                          But I do it the best that I can
[Primeira Parte]
                                                          [Refrão]
                                                                 Cadd9 D
                                                          This is me, can't ignore it
                                                                Cadd9 D
                                                          Reaching out, breaking free
Cadd9
D
   Cadd9 D
                                                          Constantly falling forward
Everyone has got a secret side
                                                             Cadd9
G Cadd9
                                                          Yeah, I'm just going for it
A wonding path that's through
                                                                   Em
                                                          This is me
A door that's open wide
                                                          [Ponte]
You think you know me
                                                          Cadd9
  D
But I'm changing all the time
                                                          More than what you see Cadd9 Em D
[Pré-Refrão]
                                                          Finding out who I can be
                                                          [Solo] G Cadd9 G D
                Cadd9
'Cause if I wanna be sweet
     G
                                                          [Refrão Final]
If I wanna be wild
   D G
                                                                 Cadd9
                                                          This is me, can't ignore it
If I wanna cry like a child
Cadd9

If I pick up the world
                                                                 Cadd9
                                                          Reaching out, breaking free
Cadd9
D
                                                          Constantly falling forward
Cadd9
Veah, I'm just going for it
In the palm of my hand
    Cadd9
I guess that's just who I am
                                                          This is me
                                                          Cadd9 D
      Cadd9
This is me, can't ignore it Cadd9 D
                                                          Can't ignore it
Cadd9 D
Reaching out, breaking free Cadd9 D
                                                          Reaching out, breaking free Cadd9 D
                                                          Constantly falling forward
Cadd9
D
Constantly falling forward
    Cadd9
Cadd9 D
Yeah, I'm just going for it
                                                          Yeah, I'm just going for it
                                                          This is me
This is me
                                                           D
[Segunda Parte]
                                                          Can't ignore it
   Cadd9 D
Sometimes life is a confusing thing G Cadd9 D
                                                          Breaking free Cadd9 D
                                                           Falling forward
Cadd9 D
 When I talk it seems like no one's listening
G Cadd9 D
 Try to be an angel, but I just can't find my wings
                                                          Yeah, I'm just going for it
                                                          This is me
                                                          [Final] Cadd9 G Cadd9 D
                                                                 Cadd9 G Cadd9 D G
```
