

# Barbra Streisand - Here There And Everywhere

Tom: **G**

Intro: **G**

To lead a better life,

I need my love to be here

Here, making each day of the year

Changing my life with a wave of her hand

Nobody can deny that there's something there

There, running my hands through her hair

Both of us thinking how good it can be

Someone is speaking, but she doesn't know he's there

I want her everywhere

And if she's beside me I know I need never care

But to love her is to need her everywhere

Knowing that love is to share

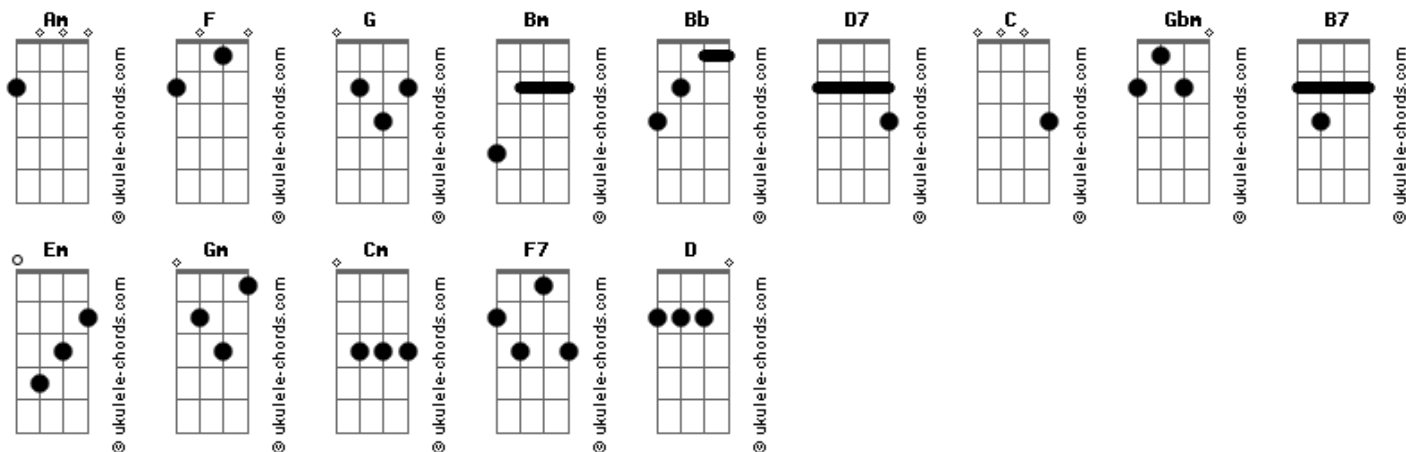

Each one believing that love never dies

Watching her eyes, and hoping I'm always there

I will be there, and everywhere

Here, there, and everywhere
