

Barbra Streisand - Memory

Tom: **Db**

(com acordes na forma de **C**)

Capostrate na 1ª casa

A
Midnight

Not a sound from the pavement

Has the moon lost her memory?

She is smiling alone

In the lamplight

The withered leaves collect at my feet

And the wind

Begins to moan

A
Memory

All alone in the moonlight

I can smile at the old days

I was beautiful then

I remember

The time I knew what happiness was

Let the memory

Live again

Every street lamp

Seems to beat

A fatalistic warning

Someone mutters

And a street lamp gutters

And soon it will be morning

A
Daylight

I must wait for the sunrise

I must think for a new life

And I mustn't give in

When the dawn comes

Tonight will be a memory too

And a new day

Will begin

[Solo] **F Dm Bb F**

Am Bb7 Bb7
Burnt out ends

Of smoky days

The stale cold smell of morning

The street lamp dies

Another night is over

Another day is dawning

C
Touch me

It's so easy to leave me

All alone with the memory

Of my days in the sun

If you touch me

You'll understand what happiness is

Look, a new day

Has begun
