

# Barbra Streisand - The Shadow Of Your Smile

Tom: G

Intro: A7 Am7 D D7 D7 G Cdim B7

The shadow of your smile when you are gone  
Will color all my dreams and light the dawn  
Look into my eyes, my love, and see  
All the lovely things you are to me  
Our wistful little star went far too high  
A teardrop kissed your lips, and so did I  
Now when I remember spring

All the joy that love can bring  
I will be remembering the shadow of your smile
