

# Barbra Streisand - The Summer Knows

Tom: D

The summer smiles, the summer knows  
 And unashamed, she sheds her clothes  
 The summer smoothes the restless sky  
 And lovingly she warms the sand on which you lie  
 The summer knows, the summer's wise  
 She sees the doubts within your eyes

And so she takes her summer time  
 Tells the moon to wait and the sun to linger  
 Twists the world 'round her summer finger  
 Lets you see the wonder of it all  
 And if you've learned your lesson well  
 There's little more for her to tell  
 One last carress it's time to dress for fall
