

# Barbra Streisand - Woman In Love

Tom: B

Life is a moment into space  
When a dream is gone  
It's a lonely up place  
A kiss the morning good bye  
But down in...side  
You know we never know why  
The road is narrow and long  
When eyes meet eyes  
I'm feeling strong  
I turn the way from the wall  
I stumble and fall  
But I'll give you it all  
I am a woman in love  
And I do anything

To get you into my world  
And hold you within  
It's why I disere over and over again  
What's I do  
With you eternely mine  
In love there is  
No mesure of time  
We planned it all and let is start  
That you and I  
Live in each others part  
We may run oceans away  
If you my love  
I hear what you say  
No truth is ever and I  
I stumble and fall  
But I'll give you it all
