Tom: Db

m [Intro] Dbm A E B

Dbm A E B Dbm
I was told when I was young
Dbm A E B Dbm
That anyone could change the world
Dbm A E B Dbm
It wouldn't come by power or strength
Dbm A E B
But through the ones who choose to love

Dbm A E B
Cause everyone will pass
Dbm A E B
And when we've breathed our last can we say
Dbm A E B
We have lived for more
Dbm A E
And did we live to die for

Dbm A E B
La-la-love la-love
La-la-love la-love

Dbm A E B
Can you feel his heart beating
Dbm A E B
The sound of love that's marching on
Dbm A E B
And when our hearts begin to break,
Dbm A E B
Along with His; this world will change

Dbm A E B
Cause everyone will pass
Dbm A E B
And when we've breathed our last can we say
Dbm A E B
We have lived for more

Dbm A E
And did we live to die for

Dbm A E B
La-la-love la-love
La-la-love la-love

(Dbm A E B Dbm A E B)
