

## **BarlowGirl - Love Is Marching**

```
Tom: Db
m [Intro] Dbm A E B
I was told when I was young
Dbm A E
That anyone could change the world
Dbm A E B
It wouldn't come by power or strength
Dbm A E B
But through the ones who choose to love
Cause everyone will pass
      Α
And when we've breathed our last can we say
Dbm A E
We have lived for more
        Α
And did we live to die for
Dbm A E B
La-la-love la-love
La-la-love la-love
Can you feel his heart beating
The sound of love that's marching on
     A E
And when our hearts begin to break,
Along with His; this world will change
Cause everyone will pass
Dbm A E B
And when we've breathed our last can we say
Dbm A E B
We have lived for more
```

```
And did we live to die for
Dbm A E B
La-la-love la-love
La-la-love la-love
(Dbm A E B Dbm A E B)
Love is marching
      В
To His heartbeat
Dbm
Love is marching
To His heartbeat
Dbm A
Love is marching
      В
To His heartbeat
Dbm A
Love is marching
E B
To His heartbeat
Cause everyone will pass
And when we've breathed our last can we say
Dbm A E B
We have lived for more
Dbm
        Α
And did we live to die for
La-la-love la-love
La-la-love la-love
Dbm A E B
Dbm A E B
