

Barros de Alencar - Natali

Tom: D
Intro: Bm

Abro a janela e neste instante
A aurora nasce e invade o quarto
Mas na tristeza o sol não vejo
Pois não mereço nem o teu beijo
Natali, Natali, Natali, Natali

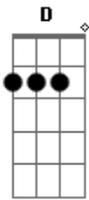

Eu queria pra não te perder
Dizer-te uma palavra
Mas só sei dizer

Essa palavra que estava presa
Na tua ausência me deu certeza
Não só teu corpo eu desejava
Pois na verdade eu te amava

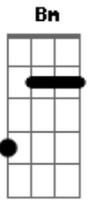

Natali, Natali, Natali, Natali

Eu queria, eu queria pra não te perder
Dizer-te uma palavra
Eu queria dizer-te uma palavra, muitas palavras
Mas só sei dizer Natali
Natali, Natali, Natali, Natali
