

Barry Manilow - Can't Take My Eyes Off You

Tom: A

Intro.: Gb A E

You're just good to be true can't take my eyes off you
You'll be like heaven to touch I wanna hold you so much
At long last love has arrived and I thank God I'm alive
You're just too good to be true can't take my eyes off of you
Pardon the way that I stare there's nothing else to compare

The sight of you leaves me weak there are no words left to speak
But If you feel like I feel please, let me Know that it's real

You're just too good to be true can't take my eyes off of you

I love you baby and that is quite all right I need you baby to warm my lonely night

I love you baby trust in me when I say oh pretty baby don't bring me down I pray

Oh pretty baby now that I found you stay and let me love you baby let me love you

You're just good to be true can't take my eyes off you
You'll be like heaven to touch I wanna hold you so much
At long last love has arrived and I thank God I'm alive

You're just too good to be true can't take my eyes off of you

I love you baby and that is quite all right I need you baby to warm my lonely night

I love you baby trust in me when I say oh pretty baby don't bring me down I pray

Oh pretty baby now that I found you stay and let me love you baby let me love you
