

# Barry Manilow - Moments To Remember

Tom: **G**

**G** **G** **G** **G**  
The New Year's Eve we did the town;

**G** **G** **C** **C** **Am7** **Am7** **D7**  
The day we tore the goal post down --

**Am7** **D** **Am7** **Gdim** **G** **Em** **Am7** **D7**  
We will have these moments to re-mem-ber.

**G** **G** **G** **G**  
The quiet walks, the noisy fun;

**G** **G** **C** **C** **Am7** **Am7** **D7**  
The ballroom prize we al - most won --

**Am7** **D** **Am7** **Cdim** **G** **Dm7**  
We will have these moments to re-mem-ber.

**C** **Am** **Bm7** **Em7**  
Though summer turns to winter,

**Am7** **D7** **G** - **G7**  
And the present disappears;

**C** **Am** **G** **G** **Em7**  
The laughter we were glad to share

**A7** **Gdim** **D** **Am7** **D7**  
Will echo through the years.

**G** **G** **G** **G**  
When other nights and other days

**G** **G** **C** **C** **Am7** **Am7** **D7**  
May find us gone our sep'rate ways,

The new.....
