

Barry Manilow - Weekend in the New England

Tom: G

G Bm C D
Last night I waved good-bye, now it seems years
G Bm C D
I'm back in the city where nothing is clear
C G Am D7
But thoughts of me holding you, bringing us near
And tell me...

CHORUS

G Am
When will our eyes meet?
G Am
When can I touch you?
G Am Em A7
When will this strong yearning end?
Am D7 G Am G
And when will I hold you a-gain?

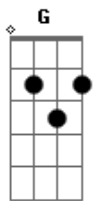

G Bm C D
Time in New England took me a-way
G Bm C D
to warm rocky beaches and you by the bay
C G Am D7

We started a story whose end must now wait
And tell me...
[repeat Chorus]
