

Bastille - Daniel In The Den

Tom: F

Bb F Bb F
Moving along at a pace unknown to man
Dm Bb
Go go go go go go
Dm C
Go go go go go

Bb F
And you thought the lions were bad
Dm C
Well they tried to kill my brothers
Bb F
And for every king that died
Dm C
Oh they would crown another
Bb F
And it's harder than you think
Dm C
Telling dreams from one another
Bb F
And you thought the lions were bad
Dm A
Well they tried to kill my brothers

Bb
And felled in the night
Dm
By the ones you think you love
F A
They will come for you
Bb
And felled in the night
Dm
By the ones you think you love
F A
They will come for you

Bb F Bb F
Dreaming along at a pace you'll understand
Dm Bb
Go go go go go go
Dm C
No no no no no

Bb F
And you thought the lions were bad

Dm C
Well they tried to kill my brothers
Bb F
And for every king that died
Dm C
Oh they would crown another
Bb F
And it's harder than you think
Dm C
Telling dreams from one another
Bb F
And you thought the lions were bad
Dm A
Well they tried to kill my brothers

Bb
And felled in the night
Dm
By the ones you think you love
F A
They will come for you
Bb
And felled in the night
Dm
By the ones you think you love
F A
They will come for you

Bb F A Dm
Oh, to see what it means to be free
Bb F
Of the shackles and the dreams
A Dm
That you claim to see

Bb
And felled in the night
Dm
By the ones you think you love
F A
They will come for you
Bb
And felled in the night
Dm
By the ones you think you love
F A
They will come for you
