

Bastille - Fake It

```
Still wanna waste all of my time
         And I don't think that that's a selfish want, I really
                                                                                                                                                                                                                             I wanna waste all of my time
don't
I'm not saying that I have this capacity
Because it's hard to develop that capacity on your own
                                                                                                                                                                                                                            With you
When you're being stopped at every turn
                                                                                                                                                                                                                                                                                                     Dm
                                                                                                                                                                                                                            Bb
                                                                                                                                                                                                                            Oh, my lover, my lover, my love
( Bb Dm F C )
                                                                                                                                                                                                                            We can never go back
                                                        night time, nowhere to go
                                                                                                                                                                                                                            We can only do our best to recreate
Drive around.
                                                       Bb
                                                                         F
                                                                                                                                                                               C

We should rip it straight out
                                                                                                                                                                                                                            Then let's try our very best to fake it
Then let's try our very best to fake it
    Dm
                                              Bb
                                                                  F
Show me joy,
                                                      flowers through desert rain
                                                                                                                                                                                                                            Oh, my lover, my lover, my love
                                                                                                                                                                          C
     Dm
                                               Bb
Let's destroy
                                                                  each mistake that we made
                                                                                                                                                                                                                            We can never go back
     Dm
                                                                                                                                                                                                                                                                                              Dm
                                                                                                                                                                                                                            We can only do our best to recreate
Then restore
                                                  the color back to the grey
                                                                                                                                                                                                                                                                                                                                                                                                F
                                                                                                                                                                                                        C
     Dm
                                                                                                              Bb
                                                                                                                                                                                                                               Bh
                                                                                                                                                                                                                                                                                                       Dm
There's no pride in sharing scars to prove it
                                                                                                                                                                                                                            Don't turn over, turn over the page
                                                                                                                                                                                                                            We should rip it straight out
Still wanna waste all of my time
                                                                                                                                                                                                                                                                                                                                                                                       C
                                                                                                                                                         C
                                                                                                                                                                                                                            Then let's do our very best to fake it
I wanna waste all of my time
