(forma dos acordes no tom de **G**)

Capostrate na 1ª casa

G
It's a quarter past midnight as we cut through the city (yeah, yeah)

G
The streets are getting restless, good times, bad decisions (yeah, yeah)

G
It's a quarter past midnight and the sirens are mending some hearts

C
But we're the losers on the back seats singing "Love Will Tear Us Apart"

G
It's a quarter past midnight, still avoiding tomorrow

G
It's a quarter past midnight, but we're just getting going

C
We keep on running, running through a red light

D **Em**
Like we're trying to burn the night away

C
Away-ay-ay, away-ay-ay, oh

D **Em**
Away-ay-ay, away-ay-ay, oh oh

C
This is my favorite part, oh

D **Em**
Help me piece it all together darling

C
Before it falls apart, oh

D **C**
Help me piece it all together

G
It's a quarter past midnight and the speakers are blowing (yeah, yeah)

G
We want the bodies on my billboards, not the lives underneath them (yeah, yeah, yeah)

G
And now we're crawling up the walls again and it's a quarter past the world

G
And you said we'd leave this place in dust and fall from heaven straight through hell

G
We never know what we have, we never knew what we had

C
We keep on running, running through a red light

D **Em**
Like we're trying to burn the night away

C
Away-ay-ay, away-ay-ay, oh
D **Em**
Away-ay-ay, away-ay-ay, oh oh

C
Why we always chasing after something
