Tom: C

(Dedilhado da introdução, primeira e segunda parte):

Primeira parte:

F Am
I came here for sanctuary
G
Am
Away from the winds and the sounds of the city
F Am
I came here to get some peace
G
Am
Way down deep where the shadows are heavy
F Am
I can't help but think of you
G
Am
In these four walls my thoughts seem to wander
F Am
To some distant century
G
Am
When everyone we know is six feet under

Refrão:

F
When all of our friends are dead
Am
And just a memory
G
And we're side by side
Am
It's always been just you and me
F Am G
For all to see
F Am
When our lives are over
G Am
And all that remains
F Am
Are our skulls and bones, let's
G Am
Take it to the grave
F
And hold me in your arms
Am
Hold me in your arms
G Am
I'll be buried here with you
F Am
And I'll hold in these hands
G Am
All that remains

Segunda parte:

F Am
I don't want to rest in peace
G Am
We can haunt each other's dreams
F Am
We'll fight underneath this turf
G Am
And bicker away in darkness
F Am
We'll find our way to resolve
G Am
Our banes from the land of the living
F Am
We'll find a common ground
G Am
And fall in love all over again
Refrão:
