

# Bastille - Skulls

Tom: Db

Bbm Ab Gb  
I came here for sanctuary  
Bbm Ab Gb  
Away from the winds and the sounds of the city  
Bbm Ab Gb  
I came here to get some peace  
Bbm Ab Gb  
Way down deep where the shadows are heavy  
  
Bbm Ab Gb  
I can't help but think of you  
Bbm Ab Gb  
In these four walls my thoughts seem to wander  
Bbm Ab Gb  
To some distant century  
Bbm Ab Gb  
When everyone we know is six feet under  
  
Gb Bbm  
When all of our friends are dead and just a memory  
Ab Gb  
And we're side by side it's always been just you and me  
Gb  
For all to see  
  
Gb Bbm Ab Gb  
When our lives are over and all that remains  
Gb Bbm Ab Gb  
Are our skulls and bones let's take it to the grave  
Gb Bbm  
And hold me in your arms, hold me in your arms  
Ab Gb  
I'll be buried here with you  
Gb Bbm Ab Gb  
And I'll hold in these hands all that remains  
  
Bbm Ab Gb  
I don't want to rest in peace  
Bbm Ab Gb  
I'd rather be the ghost that annoys you  
Bbm Ab Gb  
I hope you can make me laugh  
Bbm Ab Gb

Six feet down when we're bored of each other

Bbm Ab Gb  
A match is our only light  
Bbm Ab Gb  
It's day of the dead and I'm Indiana Jones here  
Bbm Ab Gb  
These coins sit upon our eyes  
Bbm Ab Gb  
Pool our funds and pay the boat together  
  
Gb Bbm  
When all of our friends are dead and just a memory  
Ab Gb  
And we're side by side it's always been just you and me  
Gb  
For all to see  
  
Gb Bbm Ab Gb  
When our lives are over and all that remains  
Gb Bbm Ab Gb  
Are our skulls and bones let's take it to the grave  
Gb Bbm  
And hold me in your arms, hold me in your arms  
Ab Gb  
I'll be buried here with you  
Gb Bbm Ab Gb  
And I'll hold in these hands all that remains  
  
Gb Bbm  
And now it's all before you  
Ab Gb  
Hold me in your arms, hold me in your arms (x2)  
  
Gb Bbm Ab Gb  
When our lives are over and all that remains  
Gb Bbm Ab Gb  
Are our skulls and bones let's take it to the grave  
Gb Bbm  
And hold me in your arms, hold me in your arms  
Ab Gb  
I'll be buried here with you  
Gb Bbm Ab Gb  
And I'll hold in these hands all that remains
