

Bastille - Warmth

Tom: B

(com acordes na forma de G)

Capostrate na 4ª casa

When the event happens, there is little time to think
Of those things that people would like to have remain private
Getting caught up in the circus like atmosphere
Feeling less responsible to conventional ethical practices

(Em D G C)
(Em D G C)

Never good just the bad and the ugly, laid in front of you
Nothing quite like seeing the world through the TV's window
Feeling helpless I look for distraction, I go searching for you
Wandering through our city to find some solace at your door

I can't stop thinking about it
I can't stop thinking about it
Tell me did you see the news to - night

Hold me in this wild, wild, world
Cause in your warmth I forget how cold it can be
And in your heat I feel how cold it can get
Hold me in this wild, wild, world
Cause in your warmth I forget how cold it can be
And in your heat I feel how cold it can get, now draw me close
So come on let's forget the emotion, tie the blinkers on
Hold both hands right over my eyes, deafen me with music

'Till we're lost in the heat of the moment, and I'm moving and you

Help me keep these hours alive, help me chase those seconds

I just keep talking about it

But I'll do nothing about it
Tell me did you see the news last night

Hold me in this wild, wild, world
Cause in your warmth I forget how cold it can be
And in your heat I feel how cold it can get
Hold me in this wild, wild, world
Cause in your warmth I forget how cold it can be
And in your heat I feel how cold it can get, now draw me close
Hold me in this wild, wild, world

(Em D G C)

Hold me in this wild, wild, world
Cause in your warmth I forget how cold it can be
And in your heat I feel how cold it can get
Hold me in this wild, wild, world
Cause in your heat I forget, in your heat I forget
In your heat I forget, in your heat I forget
So hold me close, hold me close

(Em D G C)
