Tom: C

The weight of living<sup>G</sup>  
 The weight of living<sup>G C</sup>  
 The weight of living<sup>G</sup>  
 The weight of living<sup>G C</sup>

<sup>F</sup>  
 All that you desired, when you were a child  
 Was to be old, was to be old<sup>C</sup>  
 Now that you are here, suddenly you fear<sup>F</sup>  
 You've lost control, you've lost control<sup>C</sup>

<sup>Am F C Am F C</sup>  
 Do you like the person you've become? Oh

<sup>G G</sup>  
 Under the weight of living  
<sup>Em C</sup>  
 You are under the weight of living  
<sup>G G</sup>  
 Under the weight of living  
<sup>Em C</sup>  
 You are under the weight  
<sup>G Em C</sup>  
 The weight of living, the weight of living

<sup>F</sup>  
 It all crept up on you, in the night it got you  
 And plagued your mind, it plagues your mind<sup>C</sup>  
<sup>F</sup>

Every day that passes, faster than the last did  
 And you'll be old soon, you'll be old<sup>C</sup>

<sup>Am F C Am F C</sup>  
 Do you like the person you've become? Oh

<sup>G G</sup>  
 Under the weight of living  
<sup>Em C</sup>  
 You are under the weight of living  
<sup>G G</sup>  
 Under the weight of living  
<sup>Em C</sup>  
 You are under the weight  
<sup>G Em C</sup>  
 The weight of living, the weight of living

<sup>Am F C G</sup>  
 (Tell yourself this is how it's going to be)  
<sup>Am F C G</sup>  
 (Tell yourself this is how it's going to be)  
<sup>Am F C G</sup>  
 Oh, tell yourself this is how it's going to be  
<sup>Am F C G</sup>  
 Oh, tell yourself this is how it's going to be

<sup>G G</sup>  
 Under the weight of living  
<sup>Em C</sup>  
 You are under the weight of living  
<sup>G G</sup>  
 Under the weight of living  
<sup>Em C</sup>  
 You are under the weight  
<sup>G Em C</sup>  
 The weight of living, the weight of living  
<sup>G Em C</sup>  
 The weight of living, the weight of living
