

# Bat For Lashes - Daniel

Tom: B

Abm Gb E B Gb  
Daniel, when I first saw you

Abm Gb  
I knew that you had

E B Gb  
A flame in your heart

Abm Gb  
And under wild blue skies

E B  
Marble move skies

Gb Abm  
I found a home in your eyes

Gb E B Gb  
We would never be apart

Abm Gb  
And when the fires came

E B  
The smell of cinders and rain

Gb Abm  
Perfumed almost everything

Gb E B Gb  
We laughed and laughed and laughed

Abm Gb  
And in the golden blue

E B  
Crying took me to

Gb Abm  
the darkest place you knew

Gb E B Gb  
And set fire to my heart

Refrão:

Abm Gb E  
When I run in the dark

B Gb  
Da--niel

Abm Gb E  
To a place that's worst

B Gb

Da--niel

Abm Gb E  
Under a sheet of rain in the heart

B Gb  
Da--niel

Abm Gb E B Gb  
I dream of home

Abm Gb  
But in a goodbye bed

E B  
With my arms around your neck

Gb Abm  
Into our mouths the tears crept

Gb E B Gb  
Just kids in the eye of the storm

Abm Gb  
And as my house spun round

E B  
My dreams pulled me from the ground

Gb Abm  
Forever to search for the flame

Gb  
For home again!

E B Gb  
For home again!

Refrão:

Abm Gb E  
When I run in the dark

B Gb  
Da--niel

Abm Gb E  
To a place that's worst

B Gb  
Da--niel

Abm Gb E  
Under a sheet of rain in the heart

B Gb  
Da--niel

Abm Gb E B Gb  
I dream of home
