When love comes to town, I'm gonna catch that flame.

But I did what I did before love came to town.

(verso 2)

Used to make love under the red sunset,

I was making promises I that were soon to forget.  
She was pale as the lace of her wedding gown,  
But I left her standing before love came to town.

(verso 3)

Ran into a juke joint when I heard a guitar scream,  
The notes were turning blue as days are a dream.  
As the music played I saw my life turn around  
That was the day before love came to town.

I was there when they crucified my lord  
I held the scabbard when the soldier drew his sword

But I've seen love conquer the great divide.
