tom:

Intro: C7M Gadd9 Em F Am7 Am7  
C7M Gadd9 Em F Am7 Am7

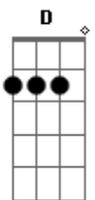

Já tinha perdido a esperança  
De encontrar um amor pra viver  
Foi num dia comum de semana  
Em uma quarta que não deu pra esquecer  
Tentando concentrar nas palavras  
Mas quando acontece é pra valer  
Não importa o tempo ou a distância

São detalhes pra esquecer

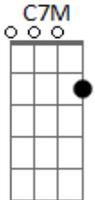

[Refrão]

Nada vai nos separar  
Ainda temos tanto pra fazer  
Dias ruins foram necessários  
Pra que eu pudesse estar com você  
Hoje eu sei o que é viver  
Vamos dormir só quando amanhecer  
(Amanhecer)
