Capostrate na 2ª casa

Intro: E7

[Primeira Parte]

E7

Please

All I did was dream of you

Swimming in my mind again

Wanting to waste time again

Ease

Always so easy with you

I don't have to think

Pour another drink

[Pré-Refrão]

And I want it all the time

While I'm yours and you are mine

Going steady till we lie, high at sunrise

All I wanted was to see

Everything you see in me

Everything I wanna be, high at sunrise

[Refrão]

Stay, stay or just leave

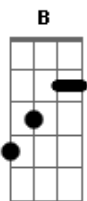

Stay or just leave me be

Stay or just leave me be

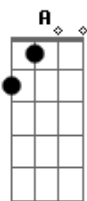

Stay or just leave me be

E7

Nightmares always feel like this

They swallow me

But I let go

Doesn't feel like I can breathe (Stay with me for a while)

They follow me (Now it's inside of the dark)

But I let go (Instead, I love in denial)

Yeah, I let go

[Pré-Refrão]

And I want it all the time

While I'm yours and you are mine

Going steady till we lie, high at sunrise

All I wanted was to see

Everything you see in me

Everything I wanna be, high at sunrise

[Refrão]

Stay, stay or just leave

Stay or just leave me be

Stay or just leave me be

Stay or just leave me be

[Final]

E7

Stay

Like the summer breeze

Don't go

Don't go
