

Beabadoobee - How Was Your Day

```
That I miss getting angry at you
                 tom:
                 D (forma dos acordes no tom de C )
                                                                              Cadd9
Capostraste na 2ª casa
                                                                      'Cause at least I felt something new
Intro: C C7M C C7M
[Primeira Parte]
                                                                                             Αm
                                                                      'Cause I miss all the fuck ups we've
             C7M
How was your day?
                                                                     Had
Was it okay?
                                                                      'Cause even then you're the best that
                   C7M
                                                                     D7 CFC
                                                                     I've had
'Cause we haven't talked in a while
Forgotten how you used to smile
                                                                     [Ponte]
[Segunda Parte]
                                                                      'Cause even when we're miles away I
                                                                     Know
What do you look like?
                                                                     You'll still want me as usual
             C7M
Remember when we used to fight?
    Gbm7
             F
                                                                     But the thing that I know is that
And I miss getting angry at you
                                                                     I wanna be with you
             Bb
'Cause at least I felt something new
                                                                     [Quinta Parte]
[Refrão]
                                                                     How was your day?
'Cause I miss all the fuck ups we've
                                                                     C C7M
                                                                     Was it okay?
                                                                                         C7M
'Cause even then you're the best that
                                                                     'Cause we haven't asked in a while

                                                                            C7M
I've had
                                                                     Remember when we used to smile
[Terceira Parte]
                                                                     [Sexta Parte]
                                                                     You used to miss me
Call me up late
                                                                     Guess it's not hard to believe
Say it's okay
                                                                     That things have to change like the
'Cause I'll be away a while
         C7M
                                                                            Am
I can't remember your smile
                                                                     Weather and the days
[Quarta Parte]
                                                                     [Final]
                                                                                    Dm
       C7M
                                                                     But the thing that I know is that I \,
You used to kiss me
               C7M
Guess it's not hard to believe
                                                                     Wanna be with you
