```
tom:
               C
       [Primeira Parte]
 Didn't believe the love you gave
          Bb D7
It takes two people to make that mistake
         C F D7
You never tried
        C F D7
You never tried
[Refrão]
            C
                         Bb
It's such a shame you don't cross my mind
                 C Bb D7
But you did this one time
               C Bb D7
You did this one time
[Segunda Partel
 Wandering through the cheap escapes
    Bb
                  D7
Just avoiding all the things that I say
             D7
 Could never admit I wasn't sure
                    Bb
Always fighting the feeling, you were such
D7
A bore
        C F D7
So I got high
         C F D7
And I got high
[Refrão]
            C
                         Bb
It's such a shame you didnt put up a fight
                   C Bb D7
```

```
But you did this one time
              C Bb D7
You did this one time
