

Beabadoobee - Talk

tom:
G

Intro: G

[Primeira Parte]

Call you up on Tuesday
Say, "What's up?"
Babe, it's too late
Why'd you have to be so
Complicated? Complicated

[Refrão]

'Cause I'm not sure
If I've seen you before
You looked familiar when I saw you
We go together like the gum

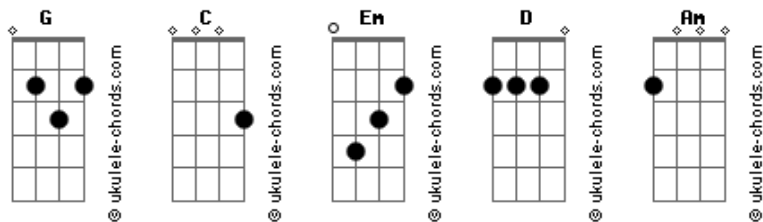

On my shoes
We make out, we make out
When it's too late
We go out, we go out on a Tuesday

[Segunda Parte]

A crowded place, waiting for you
Am I lost, why can't I find you?
A silhouette that's in my head

You don't exist

Acordes
