

Beabadoobee - ?The Way Things Go

```
And there's too much on my mind
              tom:
              Bm
                                                                       Abm7 Gbm7
                                                           That I don't even want to try
Intro: Bm7 Bm7 Abm7 G
                                                                    Bm7
                                                           Guess it's not far from the ordinary
There's so much left to say
                                                                     Abm7 Gbm7
                 Abm7
                                                           They do say: Love is blind
I guess I'm just the bigger
                                                               Bm7
                                                                               Bm7
                                                                                                  Gbm7
          Bm7
                                                           But I guess that's the way things go
And there's too much on my mind
              Abm7 Gbm7
                                                                                   Abm7
That I don't even want to try
                                                           Didn't think you'd ever stoop so
         Bm7 Bm7
                                                           Rm7
                                                                Bm7
                                                                                  Abm7 Gbm7
Guess it's not far from the ordinary
                                                           Getting with the only girl you know
         Abm7 Gbm7
                                                           Bm7 Bm7
                                                                                Abm7 Gbm7
They do say: Love is blind
                                                           A lousy route that only makes me say: That's pretty lame
                                                                                     Abm7 Gbm7
                                                                      Bm7
    Bm7
                    Bm7
But I guess that's the way things go
                                                           And that's the way things go
                                                                                    Bm7
                                                               Bm7
                                                           Oh, I guess that's just the way things go
Can't remember how to say your name
                                                                      Bm7
Bm7 Bm7
                            Abm7
Let alone count all the freckles on your face
                                                           Passed your house when I was on a \  train
                    Abm7 Gbm7
Bm7 Bm7
                                                           Bm7 Bm7
                                                                                 Abm7 Gbm7
A distant memory I used to know
                                                           In my mind, you always stay the same
                         Bm7
                                     Abm7 Gbm7
                                                           Bm7 Bm7
                                                                                    Abm7 Gbm7
    Bm7
                                                           I'm happy now, I ought to let you know
Oh, I guess that's just the way things go
    Bm7
                         Bm7
                                                               Bm7
                                                                               Bm7
Oh, I guess that's just the way things go
                                                           But I guess that's the way things go
    Bm7
                        Abm7 Gbm7
                                                               Bm7
                                                                                   Bm7
                                                           Oh, I guess that's just the way things go
Can't remember when you said you'd call
                                                                                                    Abm7 Gbm7
Bm7 Bm7
                       Abm7 Gbm7
                                                                    Bm7 Bm
                                                           And I don't mind that that's the way things go
Miles away, and it was still my fault
                                                          Bm7 Bm Abm7 Gbm7
And I don't mind, I don't mind
                             Abm7 Gbm7
The love you said you had, it sometime showed
                                                          Bm7 Bm Abm7 Gbm7 I don't mind, I don't mind
    Bm7
                         Bm7
Oh, I guess that's just the way things go
                         Bm7 Gbm7
                                                           Bm7 Bm Abm7 Gbm7
Oh, I guess that's just the way things go
                                                           I don't mind, I don't mind
                                                            Bm7
                                                                        Bm7
                                                           Oh, I guess that's just the way things go
And there's so much left to say
                                                                Bm7
                                                                               Bm7
                   Abm7 Gbm7
                                                           Oh, I guess that's the way things go
I guess I'm just the bigger guy
