                      Bm
Intro:  Bm   Bm   Abm   G

Bm                          Bm
There's so much left to say
                   Abm        Gbm
I guess I'm just the bigger   guy
          Bm                  Bm
And there's too much on my mind
                   Abm       Gbm
That I don't even want to   try
          Bm                  Bm
Guess it's not far from the ordinary
          Abm       Gbm
They do say: Love is blind
          Bm          Bm        Gbm
But I guess that's the way things go

Bm       Bm              Abm Gbm
Can't remember how to say your name
Bm    Bm                     Abm     Gbm
Let alone count all the freckles on your face
Bm    Bm              Abm Gbm
A distant memory I used  to   know
          Bm              Bm          Abm Gbm
Oh, I guess that's just the way things go
          Bm              Bm       Gbm
Oh, I guess that's just the way things go
Bm       Bm                Abm  Gbm
Can't remember when you said you'd call
Bm    Bm                  Abm   Gbm
Miles away, and it was still my   fault
Bm       Bm                  Abm Gbm
The love you said you had, it sometime showed
          Bm              Bm       Abm Gbm
Oh, I guess that's just the way things go
          Bm              Bm      Gbm
Oh, I guess that's just the way things go

Bm                          Bm
And there's so much left to say
                   Abm      Gbm
I guess I'm just the bigger guy
```

```
          Bm                Bm
And there's too much on my mind
                   Abm        Gbm
That I don't even want to  try
          Bm                  Bm
Guess it's not far from the ordinary
          Abm       Gbm
They do say: Love is blind
          Bm          Bm             Gbm
But I guess that's the way things go

Bm       Bm                Abm   Gbm
Didn't think you'd ever stoop so    low
Bm       Bm               Abm Gbm
Getting with the only girl you know
Bm        Bm             Abm Gbm             Bm
A lousy route that only makes me say: That's pretty lame
                         Bm          Abm Gbm
And that's the way things go
                Bm                   Gbm
Oh, I guess that's just the way things go

Bm             Bm            Abm Gbm
Passed your house when I was on a   train
Bm    Bm                    Abm Gbm
In my mind, you always stay the same
Bm         Bm             Abm Gbm
I'm happy now, I ought to let you  know
          Bm              Bm            Abm Gbm
But I guess that's the way things go
          Bm              Bm             Gbm
Oh, I guess that's just the way things go
          Bm       Bm                   Abm Gbm
And I don't mind that that's the way things go
Bm         Bm        Abm Gbm
And I don't mind, I don't mind
Bm         Bm    Abm Gbm
I don't mind, I don't mind
Bm         Bm    Abm Gbm
I don't mind, I don't mind
          Bm              Bm            Abm Gbm
Oh, I guess that's just the way things go
          Bm              Bm       Gbm
Oh, I guess that's the way things go
