You know if words could say
Then darlin' I would find a way
To let you know what you meant to me
Guess it was meant to be
I'll hold you in my heart
As life's most precious part

[REFRÃO]

Oh, Darlin', I dream about you often my
Pretty darlin', I love the way you soften my
Life with your love your precious love

I was livin' like half a man

Then I couldn't love but now I can
You pick me up when I'm feelin' sad
More soul than I ever had
Gonna love you every single night
'Cause I think that you're out of sight

[REFRÃO]

Oh, Darlin', I dream about you often my

Life with your love your precious love
