Verse 1:

F [F7M] F7 [2: F7M implied by harmonies]
Now here we are together
Bb C7
This would have been worth waiting forever
F Dm7 Gm7 C7 [1: w/intro riff]
I always knew it'd feel this way
F [F7M] F7 [2: F7M implied by harmonies]
And please forgive my shaking
Bb Gm A7
Can't you tell my heart is breaking
Dm Dm7 Dm7 Am Bb
Can't make myself say what I plan to say

Chorus:

Gm7 F [harmonies imply F]
(Baby, please let me wonder)
D7
If I've been the one you love
(please let me wonder)
Gm7 Gm7
If I'm who you're dreaming of
(please let me wonder...)
[1, 2: F7M Gm
[3, 4: Cm7 F7M]
...love) [3: (spoken) I love you]

Verse 2:

I built all my goals around you
That someday my love would surround you
You'll never know what we've been through
For so long I've thought about it
And now I just can't live without it
This beautiful image I have of you

Instrumental break (organ and guitar):
