C7 F  
v v v v v

F Gm C7  
/ / / / / / / / / / / / / /

Verse 1:

F [F] F7 [2: F implied by harmonies]  
Now here we are together  
Bb C7  
This would have been worth waiting forever  
F Dm Gm C7 [1: w/intro

riff]

I always knew it'd feel this way  
F [F] F7 [2: F implied by harmonies]  
And please forgive my shaking  
Bb Gm A7  
Can't you tell my heart is breaking  
Dm Dm Dm Am Bb  
Can't make myself say what I plan to say

Chorus:

Gm F [harmonies imply F]  
(Baby, please let me wonder)  
D7  
If I've been the one you love  
(please let me wonder)  
Gm Gm  
If I'm who you're dreaming of  
(please let me wonder...  
[1, 2: F Gm]  
[3, 4: Cm F]  
...love) [3: (spoken) I love you]

Verse 2:

I built all my goals around you  
That someday my love would surround you  
You'll never know what we've been through  
For so long I've thought about it  
And now I just can't live without it  
This beautiful image I have of you

Instrumental break (organ and guitar):
