

The Beach Boys - Surf's Up

Tom: Bb

A diamond necklace played the pawn, hand in hand some drummed along, oh

To a handsome man and baton

A blind class aristocracy, back through the opera glass you see

The pit and the pendulum drawn

Columnated ruins domino

Canvass the town and brush the backdrop are you sleeping?

Hung velvet overtaken me, dim chandelier awaken me

To a song dissolved in the dawn

The music hall a costly bow, the music all is lost for now

To a muted trumpeter swan

Columnated ruins domino

Canvass the town and brush the backdrop are you sleeping,

Brother John?

Dove nested towers the hour was strike the street quicksilver moon

Carriage across the fog two-step to lamp lights cellar tune

The laughs come hard in Auld Lang Syne

The glass was raised, the fired rose the fullness of the wine, the dim last toasting

While at port adieu or die

A choke of grief heart hardened I, beyond belief a broken man too tough to cry

Surf's Up mmmmmmm aboard aboard a tidal wave

Come about hard and join the young and often spring you gave

I heard the word, wonderful thing, a children's song

A children's song, have you listened as they play

Their song is love and the children know the way
