

# The Beach Boys - Time To Get Alone

Tom: C

I looked at you baby  
And what did I see?  
I saw love in your eyes  
Made me feel so warm inside  
Now look at me baby  
And what do you see?  
You see love in my eyes  
Gleaming just for you  
And now we know it's

[CHORUS]

Time to get alone  
To get alone  
And just be together  
We'll only be together  
Come and do a couple days  
Just a ways

And safe from the people  
The pine-scented air

Feels so cozy to hold  
Just to take you close  
And make you warm and

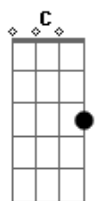

[CHORUS]

Lyn' down on our backs  
Lookin' at the sky  
Looking down through the valley so  
Deep and wide  
Aren't you glad we finally got away  
Glad we finally got away  
Aren't you glad we finally got away

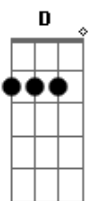

Now I looked around baby  
And what do I see  
I see love in your eyes  
And I'm so glad that we  
Finally had some

[CHORUS]
